The Inspector-General of Education has permitted Mr B Dasappa, Officiating Inspector of Schools, Bangalore Circle to take a carriage and a horse or two horses for one journey in a year by rail from Bangalore to Holalkere or Birur and return and states that the permission will be availed of only when he goes to the Chitaldrug or Shimoga District on inspection duty

2 The Financial Secretary does not think it necessary to grant this concession to touring officers when proceeding on their ordinary tours and states that there are no special circumstances in this case to justify the grant of the concession asked for

Page 3 of the office note

3 The First Member of Council states that the concession is quite necessary as the jurisdiction of these Circle Inspectors does not extend over continuous districts and that the permission granted by the Inspector-General being in the present case restricted to one journey in a year, his action may be approved

4 I agree with the First Member and recommend that, in the circumstances of the case, the action of the Inspector General in permitting the Circle Inspector, Bangalore, to take by rail at Government cost the conveyances referred to, may be graciously approved
